

**Le Sueur River Watershed Network  
Detailed Agenda  
December 9, 2013  
1-3 PM Mankato MPCA**

**Agenda**

- 1-1:10 Introductions
- 1:1:30 McKnight Grant & Communication Plan Overview – Kim, Patrick, Anne  
Targeted Conservation Practices Grant – Rick
- 1:30-1:40 Structural question. CAC, TAC. What is the role of TAC moving forward?  
Should we continue to meet?
- 1:40-2:10 What should we continue to do? What has been working well?  
Snow card
- 2:10-2:40 How can we improve our efforts?  
What are the critical things that we need to do moving forward?  
Forcefield Analysis – Forces that help us, forces that hinder us  
One side identifies all of the forces (resources, skills, attitudes) that will  
help us reach the goal.  
The other side, identifies all the forces that could hinder reaching the goal  
(barriers, problems, deficiencies)
- 2:40-3:00 Next citizen Meeting  
When, where, who, what topics to focus on?
