

Steering Committee Meeting Agenda – September 29, 2014

Carl Guse's Property & Club 57 in Waseca, MN

Time	Topic
3:30-5 p.m.	Carl Guse Field Visit
5-6 p.m.	Welcome & Dinner & Announcements
6-6:30 p.m.	Steering Committee Purpose & Roles
6:30-8 p.m.	Plan meeting for the rest of the 2014 year <ul style="list-style-type: none">• Steering Committee meetings• Larger Network meetings

Desired Meeting Outcomes:

- Learn about Carl Guse's sediment basin and brainstorm about potential ways to improve land management at Guse's and in the watershed
- Decide on the direction of the remaining 2014 Steering Committee and the larger Network's meetings. Decide on regular meeting time and place for next months to chart the course
- Get a better idea of grants to apply for based on the priorities identified during the meeting

Questions:

- How involved does the Steering Committee want to be in the process of applying for more money? How can we improve future communication and process for preparing these meetings?
- Reflect on meeting at St Olaf Lake Park – What went well? What did we learn? What could have been different?
- How should we schedule the next meetings focus on for the Steering Committee and the larger network?
- How should the Network dedicate time to reaching out and educating other civic engagement groups about our mission and work together?
