8:15-8:30	<i>Other Watershed Group Case Studies</i> <ul style="list-style-type: none"><li>– Sauk River Watershed District</li><li>– Friends of the Sauk River</li></ul>

### **Desired Meeting Outcomes:**

- Learn about local SWCD goals and action plans for 2015 and how the Network can assist
- Decide on the best day of the week for future meetings
- Decide on time, location, and topics of the next large group meeting
- Learn about other watershed groups in Minnesota

### **Questions:**

- How can we support current and future SWCD priorities that align with our 7 Recommendations for cleaner water and river health in the Le Sueur River watershed?
- Who would be willing to be a point person for SWCD projects?
- How often can everyone meet and what day of the week is best?
- What themes can we pull from groups working in the Sauk River watershed to make us successful?
